

# Kindergarten Newsletter

October 10 - 14

## Language Arts

### Continuing Establishing Routines in Reading and Writing and Storytelling

The students will be learning how to analyze texts to make predictions, draw conclusions, and establish generalizations.

We will also be working on rhyming, retelling, and using appropriate vocabulary to communicate.

Vocabulary: rhyme, title, retell, illustrations, prediction

Letters: W, X, U, V

Sight Words: I, at, can, the, we, like, to

## Social Studies

### Mapping Skills

Students will learn the tools of a geographer and how to use those skills to determine relevant location. They will understand the meaning of directional words.

Vocabulary: over, under, near, far, left, right, map, globe, location

## Science

### Heating and Cooling

Students will be able to understand that material can be changed by heating and cooling.

Vocabulary: hot, cold, melt, freeze, heating, cooling, observe, record

## Math

### Compose and Decompose numbers Up to 10

Students compose and decompose numbers up to 10 with objects and picture. They will be modeling their understanding of addition as joining and subtracting by practicing composing and decomposing numbers.

Vocabulary: whole, part, symbols, equal

## Important Dates

17 Oct	2nd 9 weeks begins
20 Oct	Picture retakes
21 Oct	Parent conference day - no school for students
